D'Amico, Griffin and Pettinicchi, LLC has fought 21 years for justice, to give voice to people who have suffered serious injury. The firm has achieved great success for their clients and has done so with compassion and caring. "Caring is what we are all about," says partner Mark Griffin.

"Our firm represents those who have been seriously injured, and the families of those who have wrongfully died, because we want to bring justice to their wrongs, and thereby make a difference in their lives and the lives of their family," says partner Michael D'Amico, a board-certified civil trial specialist and life member of the Multi-Million Dollar Advocates Forum.

The firm limits its practice to personal injury, medical negligence and divorce representation, and its lawyers have been consistently named in *Connecticut Super Lawyers*® and *New England Super Lawyers* since 2006. D'Amico was named to the Top 50 list in Connecticut and associate Brendan Faulkner is recognized on this year's *Rising Stars* list.
